# CMCSS Zoning Criteria (Board Guidance EL-12)

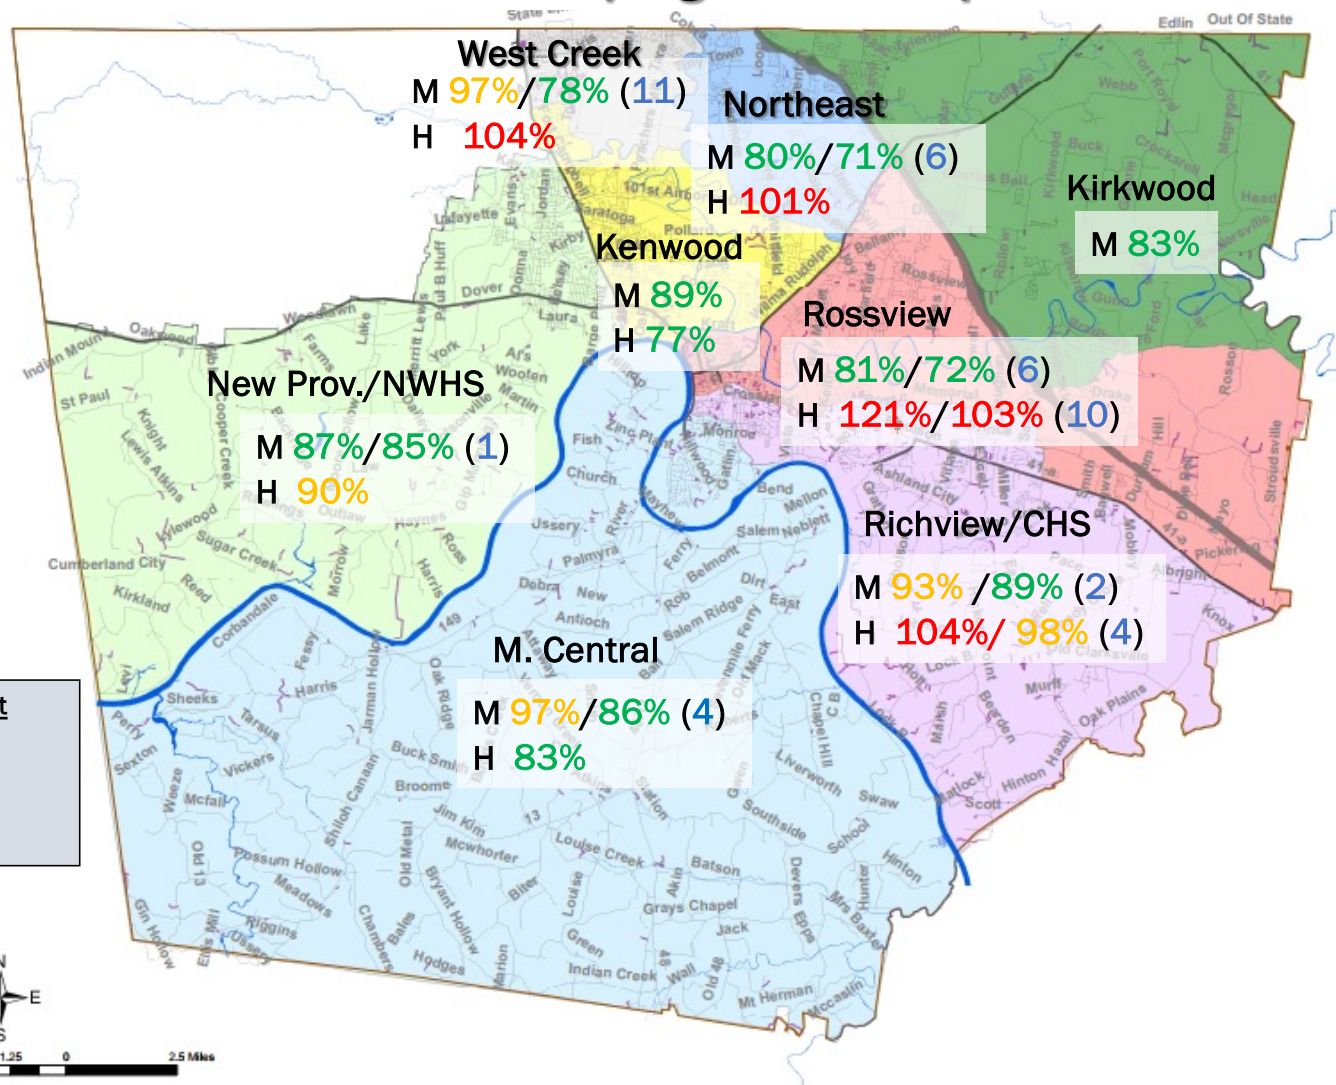

- Ensure equitable distribution of resources according to the learning needs of all students
- Consider proximity of students to existing schools
- Move as few students as possible
- Transport students the least distance possible
- Consider the BEP capacity and percent-utilization of existing facilities
- Allow for future growth where possible (based on Planning Commission lot and permit data)

# Middle & High School Capacity Analysis

CLARKSVILLE-MONTGOMERY COUNTY SCHOOL SYSTEM

# 2022-2023 Middle/High School Capacities

# Middle and High School Zoning Review

- Review Completed
- Kirkwood Middle balanced capacities in zoning regions I & II
- Opening of Kirkwood High School expected to provide similar relief

## Staff Recommendation

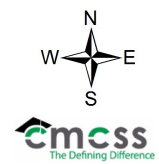

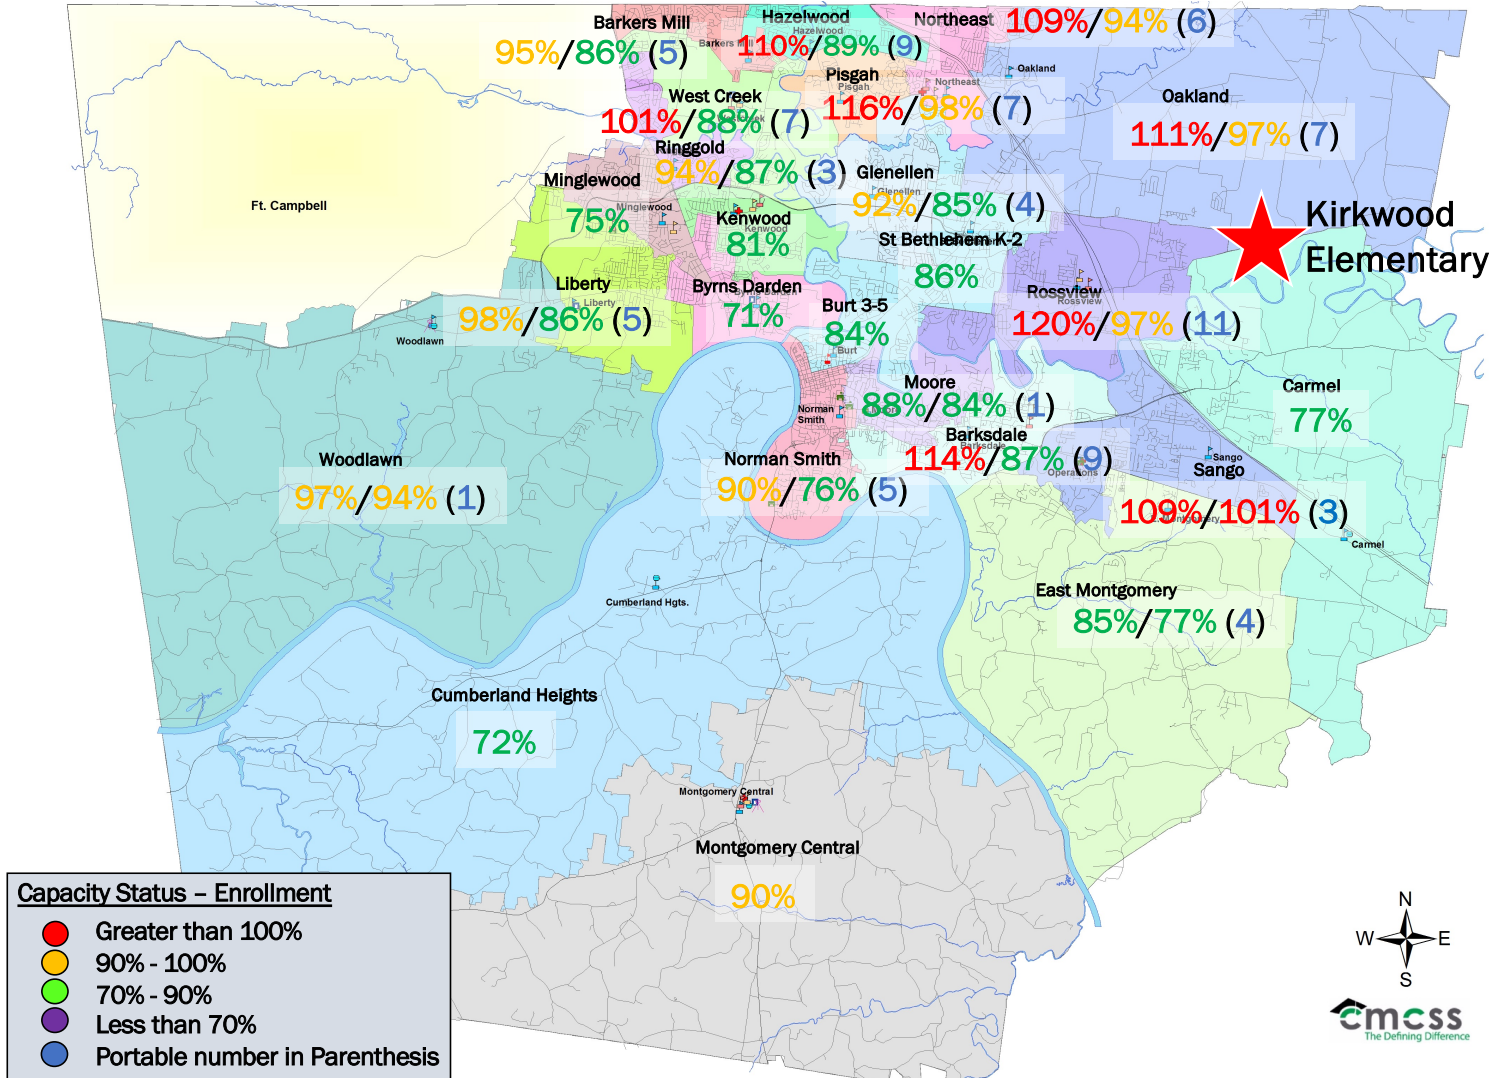

- No change to Middle School Zone Lines for the 2023-2024 School Year
- Communicate with stakeholders regarding the comprehensive rezoning of all secondary schools to coincide with the opening of Kirkwood High school in Aug 2023
- Implement High school phase of comprehensive rezoning

# Elementary School Capacity Analysis

CLARKSVILLE-MONTGOMERY COUNTY SCHOOL SYSTEM

# 2022-2023 ELEMENTARY SCHOOL BOUNDARIES

# Elementary School Zoning Review

- Review Completed
- Continued overcrowding in zoning regions I & II
- 87 Portables currently in use

## Staff Recommendation

- No change to Elementary School Zone Lines for the 2023-2024 School Year
- Portables will be used to balance capacities across all Elementary School Zones
- Communicate with stakeholders regarding the comprehensive rezoning of all elementary schools to coincide with the opening of Kirkwood Elementary school in Aug 2024

# 2022-2023 Staff Recommendation Implementation Timeline

12/06/22	Initial staff recommendation presented to School Board
12/7/22 – 1/2/23	Public Feedback Period
1/3/23	Public Hearing
1/17/23	Final staff recommendation presented to the School Board
